How many members have you referred this year? Be sure to take advantage of our **1*2*3* Grow Incentive Referral Program** and enjoy the benefits of referring!

Until **December 31, 2015**, for every referral that signs up as a member, you can qualify for any of these guaranteed incentives:

- **Online CE courses** offered through the ALC (1 course per referral)
- Courses towards the **CFP, CLU, or CHS Designations** (10 referrals)
- Registration to the 2015 Advocis Symposium (10 referrals)
- **GAMA Field Leadership Series** (10 referrals)
- Registration to one of the **Advocis Schools** (15 referrals)
- Registration to **Update 2015** (5 referrals)
- Registration to chapter events at a rate of \$20 for each referral (with five referrals members receive \$100 off a chapter event, with 10 referrals members receive \$200 off, etc.)

At the same time, we're offering another promotion that will entice advisors to sign up and qualify you for incentives under the 1*2*3* Grow Incentive Referral Program. If your colleagues have five or more years in practice and have not been a member of Advocis in the last five years, be sure to let them know that they'll receive 50 per cent off their membership (pro-rated) for the remainder of 2015 and 50 per cent off their 2016 membership if they sign up before **October 31, 2015**. For more information, see our **Membership Promotion flyer**.

When signing up members, be sure to provide them with our **Special Promotion Membership Application form** or direct them to the Advocis Member Services Team at 1-877-773-6765 or membership@advocis.ca.

We encourage all members to help their colleagues share in the value of belonging to a professional association.

Contact Global Pacific if you want to be referred by Global Pacific as a new member to Advocis.
