All paramedical exam appointments suspended

Submitted by Victoria on March 23, 2020 - 1:39pm

All face-to-face paramedical exam appointments are temporarily suspended in order to protect the health and safety of examiners, clients and the community as a whole. Effective immediately, all previously scheduled appointments will be cancelled and no new appointments will be scheduled until it's determined that it is safe to resume services.

We're continuing to investigate implications due to this change and we'll provide you with an update as soon as possible.

If you have any questions in the meantime, please reach out to your New Business Associate.
