

FUSION Update

Submitted by Josh on August 12, 2014 - 8:37am

FUSION release - effective August 12th, 2014 is now available

IMPORTANT: Please note that starting today you can obtain the update via your Fusion Illustration Software.

A FUSION release [effective August 12th, 2014 is now available for all representatives](#). The highlights of this release are:

Individual Insurance:

- Relaxed underwriting requirements for preferred & non-preferred Life products.
- Extension of the rate reduction promotion for Life permanent products announced this past June.
- In preparation for this Fall's eApp pilot project, a new "Save for eApp" button has been added to the input screen. This button will allow pilot participants to generate a file to attach to DSign.

new version as of August 12th, 2014	
Life/Health Insurance	15.3.3

Please be advised that you can get this new version starting today:

- 1) **As soon as you open your Fusion Illustration Software; or**
- 2) On Webi

Check-out Webi today for the headline announcing the availability of the update.

Contact Merchandising Technology for assistance, if needed.
