The recent increase to the Interest Rate Range has lowered premiums on all new and inforce **Hybrid Solution 100**plans. Every client owning this new life insurance product from Empire Life can save money thanks to this distinct feature that allows premiums to adjust when the Interest Rate Range changes.

While this early change to the Interest Rate Range was unique, the resulting automatic decrease in premiums is just part of the design of**Hybrid Solution 100**. If long-term interest rates continue to rise, clients may pay even lower premiums in the future

Let?s talk about this opportunity and see if your clients can benefit from owning**Hybrid Solution 100**.
