British Columbia Floods & Extreme Weather Appeal

Our thoughts are with the individuals, families and businesses impacted by the extreme weather, devastating floods and mudslides on several main highways in British Columbia.

To help people in and around the affected areas as quickly as possible, Global Pacific Financial Services Ltd. has made contributions to The Canadian Red Cross and The Salvation Army BC Flood Response to support relief efforts.

If you wish to assist in relief efforts and make a contribution, visit [The Salvation Army BC Flood Response](#)

(Charity Registration #: 10795 1618 RR0001) and [Canadian Red Cross BC Floods and Extreme Weather Appeal](#) (Charity Registration #: 119219814RR0001).

As the community comes together, let us take a proactive approach as we work through this challenging time.
