Note: FollowMe Health plans are not intended to — and will not — provide the exact same coverage as clients may have had under a group health insurance plan. This offer is intended for primary applicants and new clients only. Applicants must be Canadian residents age 18 or over and members of a provincial or territorial health plan. Offer not available with Manulife Vitality.

For Quebec residents only: The prescription drug coverage available under all plans is limited to costs not covered by RAMQ Prescription Drug Insurance Plan. It is not intended to be a replacement for the RAMQ Plan.

¹ Applications submitted after the 120-day period will require full underwriting. Guaranteed acceptance is dependent upon receipt of first premium payment. They would then be issued the standard FollowMe plan without the 5%.

² Participation in the Advisor Recognition Program varies by firm. Speak to your back office to find out if you're eligible.
